## STS forum Russia-Japan Workshop ONLINE 2020

~Toward the post COVID-19 era~

It is our pleasure to invite you to the STS forum Russia-Japan Workshop to be held Online on the 17th of November 2020.

The STS forum Russia-Japan Workshop will be held this year for the very first time, guided by the themes of "Deepening Russia-Japan cooperation in science, technology and innovation" and "Focusing on societal needs for science, technology and innovation in Russia and Japan".

With all the various fields and perspectives, and the solid relationship Russia and Japan have established, the workshop will address the issue of how to deepen our cooperation focusing on our societal needs, specially to confront the unprecedented difficulties in the coming post COVID-19 era.

### ➤ Date

**Tuesday, 17th November 2020, 10 : 00 – 14 : 50 (Moscow) / 16 : 00 - 20 : 50 (Japan)**

### ➤ Program

- Session 1 "Deepening Russia-Japan cooperation in science, technology and innovation"
- Session 2 "Focusing on societal needs for science, technology and innovation in Russia and Japan"

The workshop will be guided by these two themes and will be followed with a panel discussion and Q&A time with participants. Participants will be able to ask questions to the speakers through an application, and we are now preparing other programs for interaction between participants.

The detailed program is available on our Website: <https://events.skoltech.ru/sts-forum> and attached program.
