# Connection Makes a Smarter Business

Sign Up

## Same Communication Experience as WeChat

Hit the ground running in a familiar environment without any learning costs.

## Connecting with WeChat

Add WeChat users as contacts, run Mini Programs and use WeChat Pay features in the app.

## A Wide Array of OA Tools

Leverage various built-in OA tools (Attendance, Approvals, and more), third-party tools, as well as user-developed tools integrated via APIs.

## Comprehensive Security Protection

Internationally recognized and bank-level encryption that ensures data security
