Young professionals involved in research or preparedness work related to the recovery process after a nuclear accident

Participation Fee

FREE

Application Deadline

17 September 2020, JST

Application form
<https://forms.gle/zYkCDv9EkMXJaHi5A>

Objective

The objective of the course is to acquire knowledge and practical experience of the model developed by Nagasaki University in cooperation with the Kawauchi Village to support the rehabilitation of the living conditions in the affected areas by the Fukushima accident.

Organized by

Nagasaki University Research and Support Center for the Future of Fukushima
1-7-1, Sakamoto, Nagasaki 8528523, JAPAN
TEL: +81-95-819-7098 E-mail: rscff_nu@ml.nagasaki-u.ac.jp

In cooperation with:

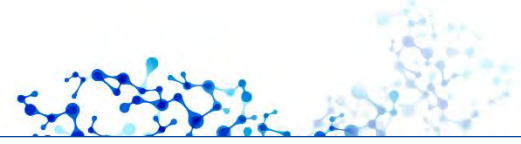

Fukushima Medical University, Fukushima University, Higashi Nippon International University and the International Commission on Radiological Protection (ICRP)

Due to the situation of COVID-19, we decided to have an online training course entitled “Stakeholder Engagement for Recovery after Nuclear Disasters”, so that students of NWSMU and other participants can participate in the training course from over the world.

In addition to 6 students of NWSMU, 6 of Nagasaki University and 1 of Fukushima Medical University, more than 100 doctors and specialists participated in this seminar from all over the world.

Schedule of the course
