Post-HaRP Project Implementation Plan

Human Resource Development Platform for Japan-Russia
Economic Cooperation and Personnel Exchange (HaRP)

So KAWANOBE
Deputy Executive Director, Professor
Institute for International Collaboration
Hokkaido University

Inter-University Exchange Project (funded by Japan's Ministry of Education)

A project supporting international collaborative efforts in education that would help Japanese students to study overseas and international students to study in Japan, with the quality assurance of higher education, aiming to develop human resources capable of engaging in global activities and increasing the global impact of Japan's university education.

The 2017 Inter-University Exchange Project (hereinafter "IUEP")

Target country : Russia (and India)

Type A: Exchange Promotion Program-Academic collaboration programs for student exchange ⇒ 7 projects

Type B: Platform-Building Program

- 1) A program to **build a platform for accumulating information and experience** gained by the universities participating in this program that would be useful to other Japanese universities carrying out joint projects with Russian universities.
- 2) Contribution to the activities of the Association of Institutions of Higher Education of the Russian Federation and Japan.

The logo for the Human Resource Development Platform (HaRP) features the letters 'HaRP' in a stylized font. The 'H' is red, 'a' is black, 'R' is blue, and 'P' is black. An arrow points from the 'Type B' section above to this logo.

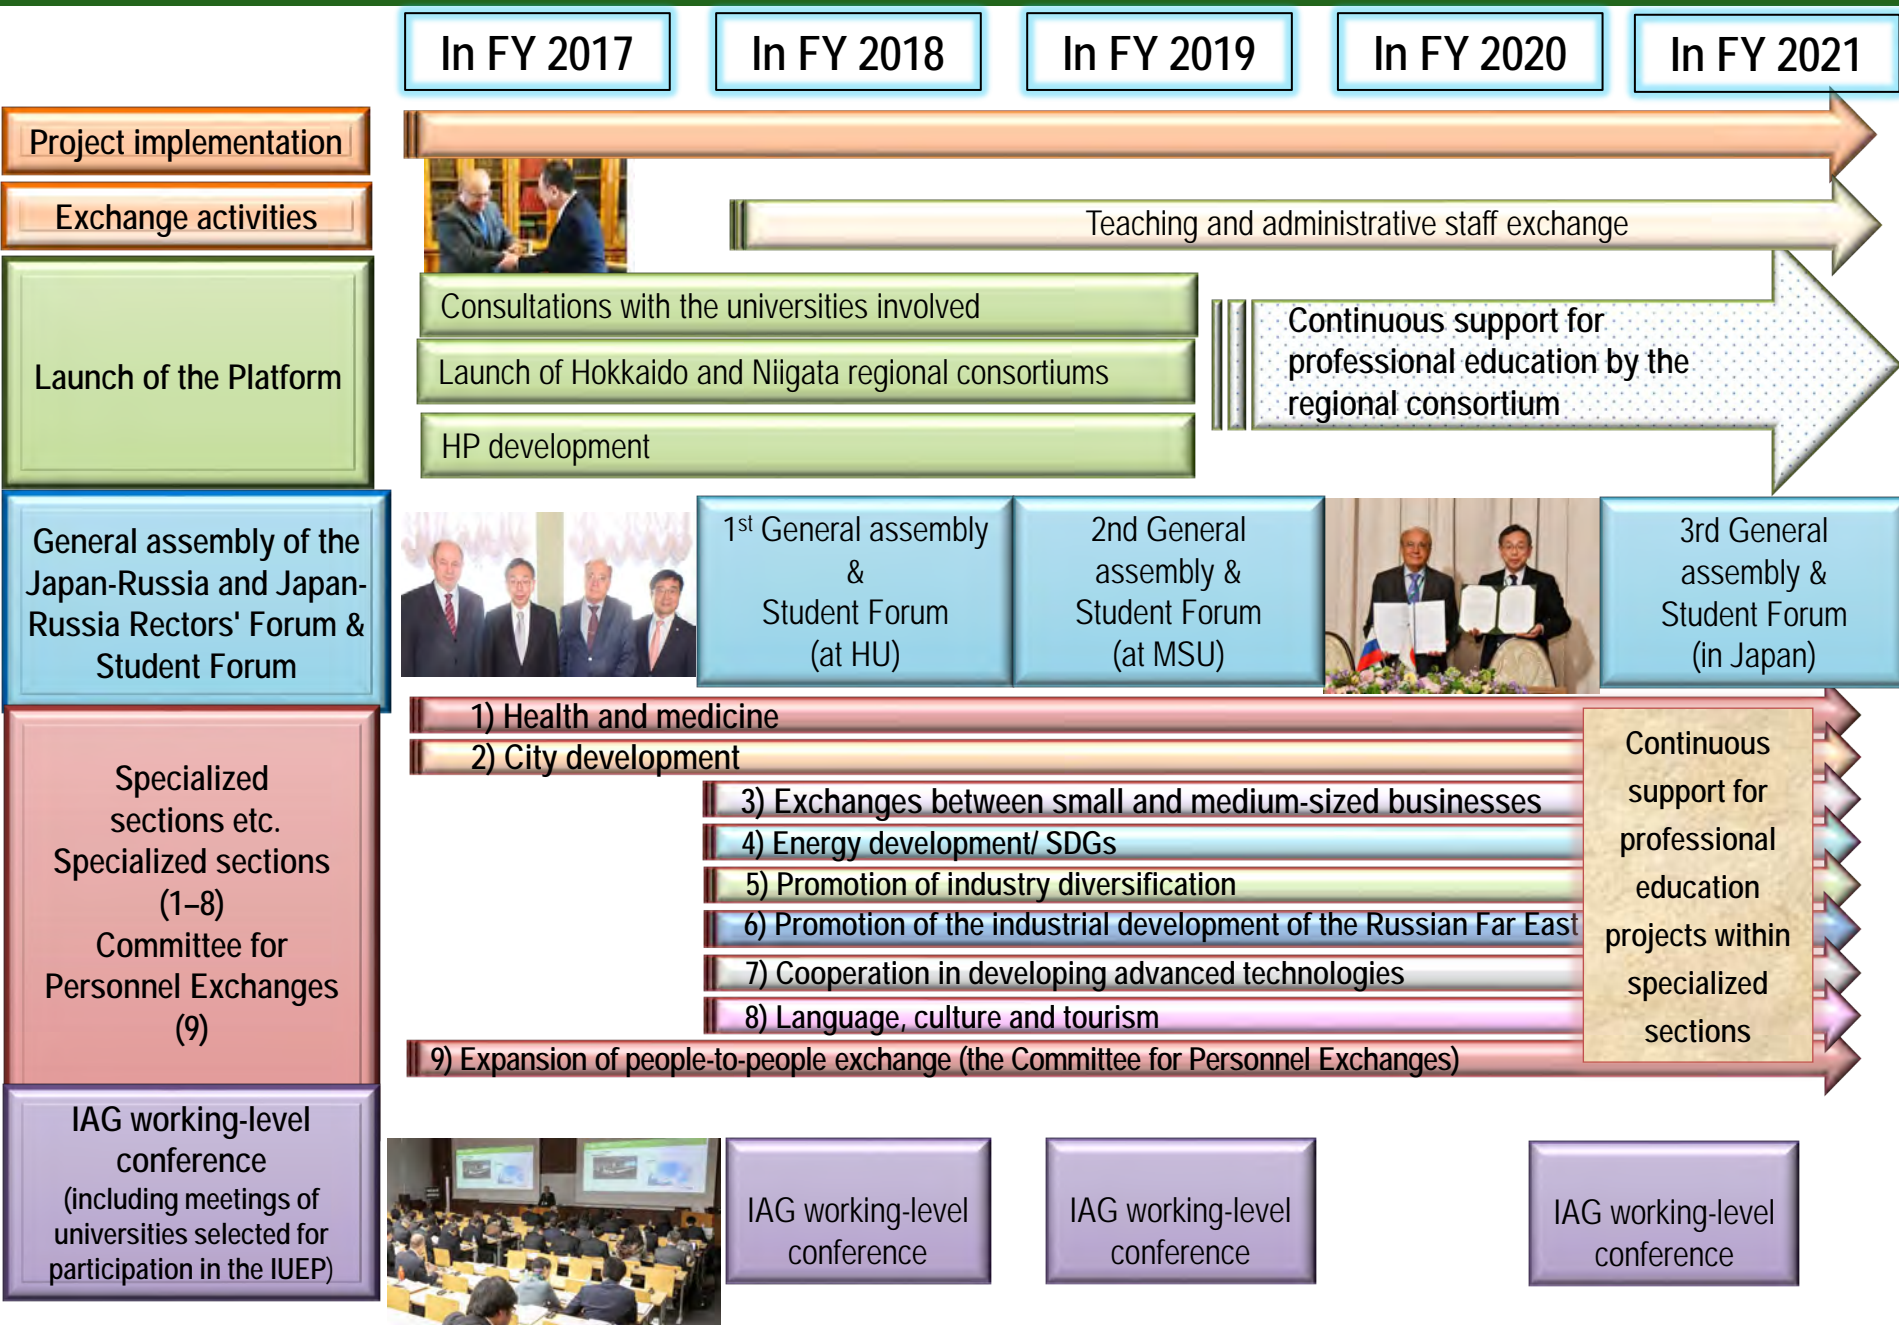

Human Resource Development Platform
for Japan Russia Economic Cooperation
and Personnel Exchange

HaRP Project, jointly applied by Hokkaido University (HU) and Niigata University (NU), was adopted.
Funding term: 4.5 years (2017.10 – 2022.3)

Project implementation plans by year (FY 2017-2021)

4

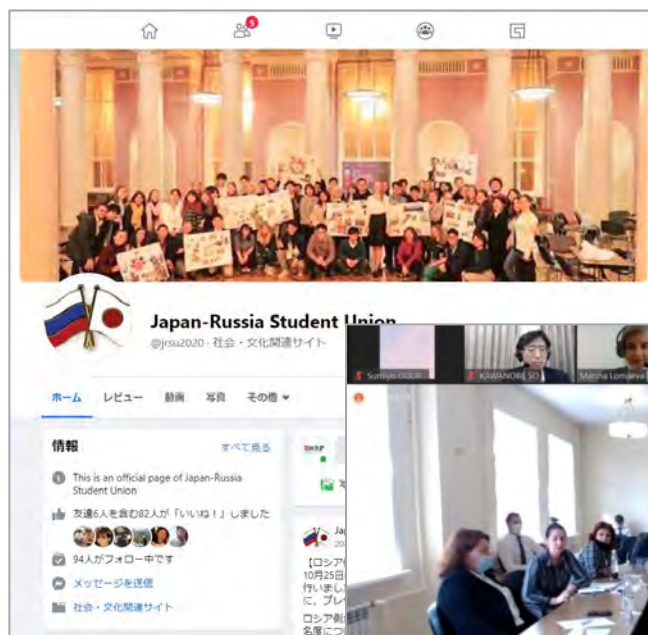

What sort of roles of post-HaRP project is expected?

- Info-hub between Japanese and Russian universities for personnel exchange (through online meetings, website, SNS, information database)
- Promoter/platform for Japan-Russia joint education and industry-academia-government collaboration

↑ HaRP Project Website

← Japan-Russia Student Union's Facebook

Online Meeting in Oct 2020 →

Expected Roles and Activities:

■ Committee for Personnel Exchanges

- 1) Establishment of credit transfer guidelines for Japanese universities (by March 2022) and enhancement of the content
- 2) Promotion of Japan-Russia joint educational programs by sharing good practices and comparative studies of inter-university educational systems

■ Specialized Sections and Steering Committee of Specialized Sections

- 3) Support for productive and efficient industry-government-academia collaboration (including educational and/or research activities) and promotion of information exchange
- 4) Effort for the implementation of Japan-Russia joint professional education programs

■ Other

- 5) Function of the central office [among Japanese universities] for the Association of Japanese and Russian Universities
- 6) Delivery of useful information regarding higher education in Russia by the MSU-HU Joint Office

How do we manage the post-HaRP project?

- Utilization of the existing resources (organizations)
 - Committee for Personnel Exchanges
 - Specialized Sections
 - MSU-HU Joint Office (Study in Japan Global Network Project)
- Sources of income
 - Hokkaido University's budget for base expenses (labor cost, etc.)
(as a part of HU's international strategies)
 - Membership fees from member universities
 - Supporting fees from cooperative companies and institutions
by deepening collaboration with local governments and private companies
