Cruise ship arrivals in Kamchatka

From 2016 to 2018, 12 cruise ships arrived in Kamchatka annually.

In 2019, the peninsula has already been visited by 20 ships, that is almost 19,500 tourists.

In 2020 and 2021, cruise tourism was paused in Kamchatka.

- A marine passenger terminal has been built, which is capable of berthing ocean-going ships;
- The largest five-star hotel in the region is being built;
- Work is underway to build a new airport terminal

THREE VOLCANOES RESORT

Construction of a new marine passenger terminal with tourist infrastructure.

The new terminal in Vilyuchinskaya Bay will be able to receive both cruise ships and pleasure boats.

The terminal will accommodate a restaurant, a bazaar and coastal tourist infrastructure.

NORTHERN SEA ROUTE

The Northern Sea Route is a new impetus for industrial tourism.
